Pelto palo,
Loimo nieli viljatÄhkÄt,
Ulenhenki tarpahutti,
Roihu raiskas' rukkiin varret.

KÄvi kato kauhistava,
Kurja onni kammottava,
Menetyksi musertava
Turha sao, masentava.

Kump' ei iskis' LiekkiÄinen,
Lostais' karu meltohenki!
Kump' ei iskis LiekkiÄinen,
Muistas' ilikijÄinen!

LeivÄn leivon leppÄsestÄ,
Hongsar' revin ravintoni,
KÄrsin nÄljÄn nÄrimÄllÄ
Vuotan uutta kylvÄkautta

Kump' ei iskis' LiekkiÄinen,
Lostais' karu meltohenki!
Kump' ei iskis LiekkiÄinen,
Muistas' ilikijÄinen!

[English translation:]

The Revenge Of LiekkiÄ

Whole crop burned to ashes.
Flames swallowed the spikes.
Fire spirit trampled on.
Blaze raped the rye straws.

Harvest was appalling.
Back luck hit hard.
Loss was shattering.
Worthless crop, depressing.

This is the stroke of LiekkiÄ
A black revenge of the fire spirit.
This is the stroke of LiekkiÄ

Reminder from the evil one.

I make my breda drom alder.
I tear my food fro pine trees.
I will not surrender to hunger.
I will wait for the next growing season.

This is the stroke of LiekkiÄ¶
A black revenge of the fire spirit.
This is the stroke of LiekkiÄ¶
Reminder from the evil one
