Tahtomattamme synnyimmy,
Synnyimme turvat urmeess' vuotaen,
Vuotaen syksyisnÄ sateena,
Sateena, verestÄni mustan.

PunasilmÄmme hohkavat,
Hohkavat korvain lÄpi ÄÄnet,
Ä,Ä, huudot ja kirkukna,
Kirkuna ilikiÄn naurun.

Me veriset ÄpÄrÄiset,
Ihtiriekit ikevÄiset,
Korven karkien kÄtkÄlissÄ
MatkammiestÄ metsÄstÄmme.

Oli isÄllÄmme tuuria,
Tuuria vahingoksi Äidin,
Ä,idon kantavaksi saatetun,
Saatetun, hÄpiÄksi kaikkien.

PimeydessÄ me kÄrsimme,
KÄrsimme aina jos on tarvis,
Tarvis kallotuopist' juopa,
Juopa matkalaisten kiusaksi.

Me veriset ÄpÄrÄiset,
Ihtiriekit ikevÄiset,
Korven karkien kÄtkÄlissÄ
MatkammiestÄ metsÄstÄmme.

[English translation:]

Bloody Bastard Children

We were born against our will.
We were born with bloody faces.
Bleeding like an autumn rain.
A rain, black from blood.

Our eyes flaming red.
Echoes through our ears.
Voices, cries and screams.

Screams of evil laughter.

We are the bloody bastard children.
We are crying ihitiriekkos.
Hiding in the rough forest.
Hunting the travelers.

Our father got lucky.
His luck was misfortune for our mother.
Our mother impregnated...
Disgrace for everyone.

In the darkness we suffer.
Suffer if we have to.
Have to get drunk from the skull.
To get drunk to tease the travelers.

We are the bloody bastard children.
We are crying ihitiriekkos.
Hiding in the rough forest.
Hunting the travelers
