Mmm
Hey
You call me love when you're ready
Baby you're rough but you're steady
You give me love when you want to
You give heat continental
Oh yeah
We got some smoke, got the fire
Just wanna stare up at the sky yeah
You give me love horizontal
You give me love when you want to
Yeah, yeah, yeah
All I wanna do
All I wanna do
Yeah
Oh
You call me love when you're ready
Baby you're rough but you're steady
You give me love when you want to
You give heat continental
Oh yeah
We got some smoke, got the fire
(Come on, Come on)
Juts wanna stare up at the sky yeah
We got the smoke, got the fire
Get it right
All I wanna do
Get it right
Oh
Yeah
All I wanna do
All I wanna do
Yeah
Is get it right
(Aha)
Get it right
Get it right
Mmmm
Yeah
Oh
Get it right

Mmmm
