Stole learn outshed
You thief, I thought you were an inject
Reluctant to recognise:
It's over

You want it back, you keep your reason
(I don't want it)
You want it back, you keep your freedom
(I don't want it)
You want it back, you keep you jacket
I don't want it
You want it back, you want it
You want it back
You keep your freedom
Ah...

Shaking and scared
I thought you'd make it easy
I failure to read the sign
That said "it's over"

You want it back, you keep your reason
(I don't want it)
You want it back, you keep your freedom
(I don't want it)
You want it back, you keep you jacket
I don't want it
You want it back, you want it
You want it back
You keep your freedom
Ah...

(Keep talking...)

You want it back, you keep your reason
(I don't want it)
You want it back, you keep your freedom
(I don't want it)
You want it back, you keep you jacket
I don't want it
You want it back, you want it

You want it back
You keep your freedom
Ah...
