I wonder why
You act so fly

When you try
So hard to try, to try, to try, to try

I see the sky, is open wide
Take a look inside
It's wild like a child, it's free
Come on

It's all in my head
It's all in my head

Us only, it's only you and me
Wherever you go I will be
Just close your eyes and you'll see
And wherever you go I will be

On the other side of life
We glide

Got our pride standing tall in the sun
Are we flying high, spinning in our time
Living life and loving free
This is where I wanna be
Come on

It's all in my head
It's all in my head

Us only, it's only you and me
Wherever you go I will be
Just close your eyes and you'll see
And wherever you go I will be

All in my head
All in my head

Us only, you and me
Wherever you go I will be
Just close your eyes and you'll see

And wherever you go I will be
