I'm paralyzed
Stuck between the devil and your smile
I've got my feet wet, baby
Just about to die

And then you throw me back
Against the wall
What a nice surprise
Watch me fall

And you won't see me crawling
You won't see me crawling
No crawling into me baby, baby don't see me

Crawling

If sentiment
Seems to be running dry
And there's no relent
I keep on trying

And then I realise
What I can do
Picking up the pieces of my life
I'll get over you

And you won't see me crawling
You won't see me crawling
No crawling into me no baby, no baby don't see me

Crawling
(Crawling, crawling, crawling)
(Crawling, crawling, crawling)

I'm bigger now
Despite of you

And when it all turns round
It'll all come back on you
Make no mistake
I learnt my lesson now

The risks you take
Can break us down

Until we're crawling
Until we're crawling
I say, crawling's into me no baby, no baby don't see me

Crawling, crawling

And you won't see me crawling
You won't see me crawling
No crawling into me no baby, no baby don't see me
