Sweet untouchable you  
You gave me the runaround  
All you say and what you do  
picks me up and leaves me hanging

Do you call, do you  
Do you call, do you  
Do you call, do you call that lovin' me?  
I don't, I don't, I don't nono

Sweet unthinkable past  
How you jog my memory  
I knew, I knew it wouldn't last  
'cause you keep on pickin' me up and leaving me  
hanging

Do you call, do you call that loving me?  
Do you call, do you call that loving me?  
Do you call, do you call that loving me?  
Do you call, do you  
Do you call, do you  
Do you call, do you  
I don't, oh no I don't

I don't call that  
You don't call that

Sweet unstoppable you  
Send my system crashing  
All you say is not what you do  
You just keep on pickin' me up and leaving me  
Keep on pickin' me up and leaving me

Do you call, do cou call that lovin' me?  
Do you call, do cou call that lovin' me?  
Do you call, do cou call that lovin' me?  
Do you call, do you  
Do you call, do you  
Do you call, do you  
I don't, oh no I don't  
I don't call that  
You don't call that

You don't call that  
You don't call that  
You don't call that  
You don't call that
