We move in numbers
like shifting sand
but we're too eager
to understand
'cause we're not ready
we're too proud

now we're finding a different way
we've been chasin' each others tails
now we're ridin' a new wave
all on our own way
more than a face in the crowd (a face in a crowd)

hundreds of people
all runnin' 'round
but there's no color
and there's no sound
we move in silence
looking down

now we're finding a different way
we've been chasin' each others tails
now we're ridin' a new wave
all on our own way
more than a face in the crowd

instrumental interlude

a face in a crowd

now we're findin a different way
we've been chasin' each other's tails
now we're ridin' a new wave |All this x3
all on our own way
more than a face in the crowd (a face in a crowd)
