Album Version:

Ref:

If you were in my heart, I'd surely not break you

If you were beside me, and my love would take you

I'll keep you in safety, forever protect you

I'll Hide U away from the world you rejected

I'll Hide U

I'll Hide U

Bridge:

Take my hand, show no fear

Look in my eyes, it's perfectly clear

I'll love you, and comfort you

Ask me to tell you what I wanna do

I'll Hide U away from danger
