Tide keep rolling in
I stand watching it
Keep on giving it to us
Silence over me
Keep on holding me
Every night
I know where you sleep
And it's hurting me, it's hurting me

When I want it all
For myself
I want it all
I want him for myself
I want it all

You tease me, telling me
It's over, wait and see
Leave it, you're lying
When you tell me you're not happy
Come to me, for sympathy
Every night
I know where you sleep
And it's hurting me, it's hurting me

When I want it all
For myself
I want it all
I want him for myself
I want it all

Tide keep rolling in
I stand watching
As you keep on giving it to her
Keep on
Keep it on
Time isn't cold enough
Isn't after us
It's hurting me

'Cause I want it all
For myself
I want it all

I want him for myself
I want it all

For myself
I want it all
I want it all
I want it all
I want him for myself
