Momentary sensory promises  
Moments cut like shots of broken glass  
Somewhere between sublime and the ridiculous  
Is where we go to mend the broken heart

Feeling like a child  
And you're looking like a man  
You wanna make it pride  
Feeling like you can

Out of this world  
Ou of our hands  
Out of control  
His beauty unfolds  
Again and again  
Out of this world  
And little to the blue  
Found me  
Found here  
To you

Not the best of times  
To give a benefit  
Waste of all this love affair, we've lied  
We're so close together, yet so separate  
Couldn't we've risen it if we tried?

Feeling like a child  
And you're looking like a man  
You wanna make it pride  
Feeling like you can

Out of this world  
Ou of our hands  
Out of control  
His beauty unfolds  
Again and again  
Out of this world  
And little to the blue  
Found me  
Found here  
To you
