If it feels it's starting again  
Over heavy and you wanna be thin  
If you think it's over, begin  
Recovery

Even when you wanna get high  
Misdirected when you wanna fly  
Take the splinters out of your eyes  
Recovery

When I get a rhythm within  
I feel happy when I'm living in it  
When I wanna turn it round on its head  
Aah recovery

Stepping on a carpet of glass  
You're just happy you don't drop on your ass  
Just be thankful that it's there in your grasp  
Recovery

Open up your cynical eyes  
Step forward now  
Don't be shy

If it's complicated, simplify  
Recovery

When I get a rhythm within  
I feel happy when I'm living in it  
When I wanna turn it round on its head  
Aah recovery

When I hear the rhythm within  
I'm so happy when I'm living in it  
When you wanna turn it round on its head  
Recovery  
Recovery  
Recovery

When I get the rhythm within  
I feel happy when I'm living in it  
When I wanna turn it round on its head

Aah recovery

When I'm feeling happy  
When I'm down on my knees  
And you wanna take it over again  
Recovery  
Recovery  
Recovery
