It's your call  
Hear the answer  
Cross the hall  
As freedom dances  
As the smoke screen rises  
There they stand in their disguises

You come blazing  
Waving your arms and your attitude  
I don't notice you  
Suzy May  
Oh what is it coming to?  
Why is it down to you?  
You come blazing

Smell so sweet  
And taste so bitter  
Struck with paint  
And doused in glitter  
This is for the back row  
You better stand up mister  
Or you'll miss the show

You come blazing  
Waving your arms and your attitude  
I don't notice you  
Suzy May  
Oh what is it coming to?  
Why is it down to you?  
You come blazing

Little girl in the mirror

Jesus loves a sinner  
Put on your lipstick  
And get another quick fix  
You better be something  
You better keep on running  
Or jump from a building  
You never really lived in  
So you want to be a superstar?  
Yeah

You come blazing  
Waving your arms and your attitude  
I don't notice you  
Suzy May  
Oh what is it coming to?  
Why is it down to you?  
Oh come blazing  
You come blazing  
Waving your arms and your attitude  
I don't notice you  
Suzy May  
Oh what is it coming to?  
Why is it down to you?  
You come blazing

Come blazing  
Girl in the mirror  
Girl in the mirror  
Little girl in the mirror  
You wanna be a superstar?
