Visit "[Jesus](#)" on MotoLyrics.com

My eyes have gone square, Jesus,
I'm so tired,
I'm so tired,
I'll tell you anything you want,
Your eyes I can't bear, Jesus,
I'm so wasted,
I'm so wasted,
And you're out of the question,
Why, I mean the irony's delight,
But can't I just deserve you,
These patterns aren't right, Jesus,
They're so scary,
So scary,
I can't explain it all to you,
I waste so much time, Jesus,
But you might help me,
Go on, make a suggestion,
Why, I mean the irony's delight
But can't I just deserve you,
Don't you worry,
I'm in no hurry,
I'm so sorry,
Because I try to learn you,
If I could only earn you,
From here.
