Hunched all still,
Me and the wood again,
Me and the bones,
Poor old elephants,
Come for an hour,
Stay for an afternoon,
Play through the bells,
Before and after you,
Up in the clouds,
Away with the proverbials,
My little shroud,
The only way to sit so still,
Have I become a truant boy,
Did you come down for me,
I'm sorry it's a mess,
But find a seat,
I'm sorry it's a test,
You look quite sweet,
But take it back upstairs,
Go on,
Don't you dare,
Don't you dare stare at me,
Don't freeze up,
Don't be scared of me,
You are me,
Me are you I think,
Hunched all still,
Spills another drink,
Don't decide it just believe it,
Close your eyes and go to sleep,
Don't rely because you don't need it,
Close your eyes and go to sleep,
Don't you beg and don't you plead it,
Lose your eyes and go to sleep,
You'd collide like armageddon,
If you'd only go to sleep,
Have I become a fluent boy,
Did you come down for me,
I'm sorry it's a mess,
But find a seat,
No maybe I regret,
You look so sweet,

You're making me upset,
Go on.
