Bad habits
Bad habits
Bad Habits

Bad habits, Bad habits
Picked a few up nine years in this game
Bad habits, Bad habits
Life style's fast driving me insane
Bad habits, bad habits
Daily doses you just got to maintain
Bad habits, bad habits
Drinking beer, smoking weed, and a pack a day

A pack a day (Cigarettes) seven grams of weed
(chronic) A beer when i'm ready (Bud light)
Yall know me, (Who?) yeah I got some habits, I picked
up a few, it's the d-lo-c so what chu gonna do?

The demons inside me, are clinging so tightly, the
voices in my head say "You don't wanna come down"
m'kay.

A pack a day to get me by, an ounce of weed to keep
me high
Alochol still numbs the pain, some things in life just
never change
I don't know but i've been told, you live this way you
won't grow old
Our addiction hits so quick, these bad habits are hard
to quit

Bad habits, Bad habits
Everybody has them, who you got to blame?
Bad habits, Bad habits
Flush it all away, go an' spit it down the drain
Bad habits, Bad habits
Chemical dependencies have a hold of your brain
Bad habits, Bad habits
When my time comes, I'll go out with a bang

I got problems that I don't tell many, talk about bad
habits shit, I got plenty

Nicotine, weed, beer, shooting pool and playing cards,
mushrooms, pills, strange pussy fast cars

Yeah, Jonny Richter, pass the mic, better yet don't,
need to pass the pipe
I'm trying to hit that shit, but you're not paying
attention, I wanna pack a rip, don't trip just keep sitting

A pack a day to get me by, an ounce of weed to keep
me high
Alochol still numbs the pain, some things in life just
never change

I don't know but i've been told, you live this way you
won't grow old
Our addiction hits so quick, these bad habits are hard
to quit

Bad habits, Bad habits
Picked a few up nine years in this game
Bad habits, Bad habits
Life style's fast driving me insane
Bad habits, bad habits
Daily doses you just got to maintain
Bad habits, bad habits
Drinking beer, smoking weed, and a pack a day

This wishing addition is kinda strange to me, gotta quit
gotta kick for my family
Cuz if I crash fast everybody's outie, And that's way too
heavy pressing on me

It's the d double dash, I bash like an army, and when
it's time to mash, I crash really strongly
I always pop a pill with the three roll bent I complish my
task, you can't hold me (me)

A pack a day to get me by, an ounce of weed to keep
me high
Alochol still numbs the pain, some things in life just
never change
I don't know but I've been told, you live this way you
won't grow old
Our addiction hits so quick, these bad habits are hard
to quit

Your eyes they just won't open, you don't know what
you been smoking
Got your whole family hoping "Oh I wish that he'd just
slow down" (slow down)
The game is tough and silent where these groups are

just smokin', soldier.

You're smoking and then toking and you're dead in the
ground (Na Mean?)

A pack a day to get me by, an ounce of weed to keep
me high

Alochol still numbs the pain, some things in life just
never change

I don't know but i've been told, you live this way you
won't grow old

Our addiction hits so quick, these bad habits are hard
to quit

Bad habits, bad habits
