Gunna go out in a blaze of glory,  
Goin' against the grain  
Everybodys got a different story,  
ours just stays the same

Gunna go out in a blaze of glory,  
the world goes up in flames  
Gunna go out in a blaze glory,  
Doin' things our way

[RICHTER]

It all started back when I was a kid,  
and I moved on the Makenzie where my grandmother  
lived,  
fastfoward ten years and a couple acid trips,  
now we in front on Locs house in Makenzie, Gettin' Lit  
It was me, Daddy X, the dad, Scotty and Will  
Takin rips out of chalice in my automobile  
74 V-Dub, ya'll know the deal  
fastfoward ten more Kottonmouths foreal  
Playin sold out shows, and rockin festivals,  
You need a passport to go half of the places we go  
Some many people acting fucked,  
they used to call us crazy  
But when in comes to the kings,  
We gunna go out blazin'

[Chorus]

[DADDY X]

I'm goin out like a viking,  
on a quest striking  
like lightning,  
until they lay my soul to rest,  
gladiator, swingin' on them haters

dome bringin project odium ???  
is where im going home  
like the matrix life is like a trilogy,  
begin' then livin, then on through eternity  
so run with me like a narrow shot through the sky,  
until we die we gettin high always down to ride

renegade gettin' blazed like some purple rays  
everyday we blowin haze,  
like some hand gernades  
they call us kings and the castle's  
made of cannibus dragon slayers  
suboise misfits

[Chorus]

[D-LOC]

Call me Billy the Kid in this wild,  
wild west stuff strap your vest  
up keep it cowboy tough,  
been through it all in the toughest  
of battles never lost one because,  
im saddle bang-bang shit  
open out reload, im over the hills  
sit around the road, preparing for action  
lets get ready to pop one  
goin out with a blaze of glory  
with my shotgun, now gitty-up  
partner welcome to an old fashion showdown,  
take ten steps shoot and turn around  
welcome to the late night gunshow,  
take ten steps shoot and lets go
