turn into the double when I spit  
Cuz the heat from the fire burns ??  
Fuck a pussy, dont make me start callin out names.  
Cause I dont really give a fuck about your claims.  
Calm down think before you speak.  
Put 'em in the state of mind now its plain deep.  
Its the D he gots no D,  
Stop fuckin with me I let the heat pop,  
let me in this punk muthafucka while the beat drop.

*[Chorus]*

Drunk with power (power, power, power)  
Pot resistance  
persue the life of liberty  
Drunk with power (power, power, power)  
Propostition  
resistance to the enemy  
Drunk with power (power, power, power)  
Pot resistance  
you'll never get the best of me  
Drunk with power (power, power, power)

?? drug of industry  
Drunk with power (power, power, power)  
Pot resistance

*[Daddy-X]*

Lately daily its kinda crazy  
once twice three times a lady  
Mary jane-zee she makes me hazy  
pigs roll bother dont wanna graze me

it dont faze me cuz rhymes they pay  
I sing these songs till my dyin day.  
Lay stretched out flat in a cannabis coffin,  
So think of the offer when your packin your bong hits  
(Pot resistance)  
Daddy-x a last two rebel  
horny white devil, on another level  
(Pot resistance)  
I roll through with the east side flyin'  
change my sirens, politicians lyin.  
(Pot resistance)  
I keep grindin, politics is grindin  
In my vaporizer so I'm always vaporizen'

*[Chorus]*

*[Johnny Richter]*

Remember back in the day when they had probation  
now its a plant that'll end you up in prison  
whats your posistion on the status today  
alcohols good to go, but smoke some weed no way  
You get locked up they simpy throw away the keys  
Sounds like someones got a grudge, if you ask me  
it aint right, whos to say whats what.  
Call me wrong if I'm high while your drunk as fuck  
(Pot resistance)  
I aint givin in now and I wont give in never  
(Pot resistance)  
Alcohol takes lives, but pot no one dies.  
(Pot resistance)  
I aint givin in now and I wont give in never.  
(Pot resistance)  
alcohol takes lives, but pot no one dies.

Drunk with power (power, power, power)  
Pot resistance  
persue the life of liberty  
Drunk with power (power, power, power)  
Propostition  
resistance to the enemy  
Drunk with power (power, power, power)  
Pot resistance  
you'll never get the best of me  
Drunk with power (power, power, power)
