Everybody know we come to ball, and

Industry, a bunch of punks,
Garbage fools, eat em up,
Spit em out, on the floor,
Let em know, hit the fool,
Hit em high, hit em low,
Hit em good, here we go.
Hold em down, hurry up,
Dot his eye, split his lip.
Pick that shit up, where the kottonmouth kings and tech
nine click, bitch! and we don't give a fuck!
Nuck if you want this shit, goose fifth! you don't want
no doggone fifth, you doose, sit back, relax, shut the
fuck up, you got captain.

[richter]

IÂ'm bout to help yÂ'all understand where the fuck
IÂ'm comminÂ' from,
ItÂ's johnny richter, with the weed game, IÂ'm a chosen
one,
And that right there is the reason IÂ'm in pictures,

IÂ'm eternally ripped, and after that IÂ'm fuckinÂ' a
bitch
IÂ've been doinÂ' this shit for 10 years! And IÂ'm still
here!
No I ainÂ't goinÂ' noware, this is that real click!
Tech nine and the KMK mob, we stay on our jobs
DonÂ't fuck with us just check out the rims??

They never sayin nothin, war on the side, some plan,
they can, they can resign, they wanna know what we all
about! so some of us shall, FUCK THE
INDUSTRY! fuck em high, fuck em hard, fuck em low,
show to show, let em know, let em know what? FUCK
THE INDUSTRY! fuck em high, fuck em hard, fuck em
Low, show to show, let em know, let em know what?
FUCK THE INDUSTRY!

DonÂ't play their game, play your game..

Know what Iâ€™m sayinâ€™? fuck the industry
Thatâ€™s what I say

[daddy x]

You got to flee, you got this industry scratchinâ€™ your
door
Mic controls from coast to coast, every cityâ€™s our
home
You better ask somebody who holds the key,
You might be surprised to find itâ€™s x-daddy
I may be laid out, played out
Preachinâ€™ and graspin
Hopin to get a piece of this here underground action,
You should get bitch slapped just for fuckinâ€™ askinâ€™
I try to burn like a chemical reaction

[d-loc]

Double dash, where the ass?
Where the weed? Where the hash?
Light the blunt, fill it good in the cup,
What the fuck?
Give it up, give it to â€™em,
Set â€™em up, roll right through
Knock em down, pick em up
Know he knows, thatâ€™s how we ball

They never sayin nothin, war on the side, some plan,
they can, they can resign, they wanna know what we all
about! so some of us shall, FUCK THE
INDUSTRY! fuck em high, fuck em hard, fuck em low,
show to show, let em know, let em know what? FUCK
THE INDUSTRY! fuck em high, fuck em hard, fuck em
Low, show to show, let em know, let em know what?
FUCK THE INDUSTRY!

[richter]

See I dont give a fuck about no magazine covers,
Cuz the fans they love us, and my band,
Well their just like my brothers from another mother
No other way to break it down,
Just roll with us, its KMK and we come straight from p-
town

[daddy-x]

So if youâ€™re gettinâ€™ drunk, then put â€™em up high
Kottonmouth kings on the track with the greatest
rapper alive
Tech nine with KMK fool! Whoâ€™d ya think.
You can etch it in our tombstones now weâ€™re
permanent eh?

We survivors here, free and clear, no life im leadinÂ'
Just a fact, be it laced, try it in a blunt to get weeded
Just a fact be it laced try it in a blunt to get weeded.
