Yeah  
Come on come on come on  
We still in this  
Alright

You know thier aint no party like a kottonmouth party  
Cuz a Kottonmouth Party dont Stop  
Thier aint no need to fuss or fight  
were all here as one everybody unite  
Because the Kottonmouth Kings is in the house tonight  
you know the Kottonmouth Kings is in the house  
tonight.

Now we aint out to do nobody wrong  
we just some stoners gettin by high playin our songs  
The Kottonmouth Kings is in the house tonight  
you know the Kottonmouth Kings is in the house  
tonight.

You know Kottonmouth come through all blazed up  
pants sag hat high rolled in our raised trucks.  
Not givin a fuck we sparkin pot on the curb  
smokin on cigars but they really filled with herb.  
Some nice green fluffy shit that we got from 86  
always got the bomb chronic always got the bomb hits.  
We took our last rips and headed to the back door  
straight to the stealth bar V.I.P. second floor  
i say capt N Coke you know its time to get loose  
DJ B Spinin' Snoop Dog Gin and Juice  
and i was smokin on some indo  
chillin in the corner straight mackin on a hoe  
yeah she look good and she was good to go  
so we hooked em up and we took em home  
The girl had a twin it was the craziest shit  
The party bout to begin when we get to Loc's crib

Thier aint no need to fuss or fight  
were all here as one everybody unite  
Because the Kottonmouth Kings is in the house tonight  
you know the Kottonmouth Kings is in the house  
tonight.  
Now we aint out to do nobody wrong  
we just some stoners gettin by high playin our songs

The Kottonmouth Kings is in the house tonight  
you know the Kottonmouth Kings is in the house  
tonight.

Now its last call the bars closin down  
We got the girls and we headed back to town  
Jumped on the 101 South back to the 60  
The land of the rocks pits 50's and 250's  
Wood floors indoors got a track outback

The bottles of jack fill up the wine rack  
Bongs packed ready to snap in every single room  
Fridge full of alcoholic beverages to consume  
Now all the girls is been gettin naughty  
Welcome to a Kottonmouth Kings at the party  
Its 4 in the morning and it just start to pop  
had this girl on my jock jock jockin in this hots  
Non stop red rock to the sun started rising  
she was suprising sex fantasizing  
Hills tall Ass raw and it dont quit  
D-Loc and Richter on some Pimp shit.

Thier aint no need to fuss or fight  
were all here as one everybody unite  
Because the Kottonmouth Kings is in the house tonight  
you know the Kottonmouth Kings is in the house  
tonight.  
Now we aint out to do nobody wrong  
we just some stoners gettin by high playin our songs  
The Kottonmouth Kings is in the house tonight  
you know the Kottonmouth Kings is in the house  
tonight.

Yeah we in the house aint no doubt about it  
drivin backed up shit they had to re-route it  
Like that Fed-X package left 3 states back  
Daddy-X samplin flavors like my name was Craig Mac  
Whose packin new flavors in my pipe  
X is smokin mad flavors tonight  
Its a 1 night stand stickin up your town  
were ganna fire it up and burn the whole place down  
and if the cops come round try and shut us down  
we pack pounds and move on to the next town  
then the next town we get the whole seen poppin' in the  
next town  
all the way from Cali to Boston

Thier aint no need to fuss or fight  
were all here as one everybody unite  
Because the Kottonmouth Kings is in the house tonight  
you know the Kottonmouth Kings is in the house

tonight.  
Now we aint out to do nobody wrong  
we just some stoners gettin by high playin our songs  
The Kottonmouth Kings is in the house tonight  
you know the Kottonmouth Kings is in the house  
tonight.
