dimensions, 32 24 34, and did i mention, the wine in  
the wine rack, relax now the lights get dim, the last  
thing i did before i slipped it in.

the the house then things are happening, i'm a bad ass

say i gotta like that, it cool like that we cool like that,  
she's a gangsta bitch pass clips and her tits, her body  
does the banging, hips to the hips, lips to the surface  
body fully equiped, sweetest tasting pussy that i ever  
licked and i'ma eat that shit till i'm 66, and when my  
teeth fall out i'ma gum it to death, put me in the coffin  
with pussy breath, and in the afterlife i'ma still be about  
it, ask jesus christ if he ever found out it.
