[DADDY X]

Tonight, tonight, tonight.
Who's down to fuck tonight?

[LOC]

OOooh she was lookin' real sexy.
Nice curved hips, pretty brown eyes, body bangin'.
Built like a stallion.
Popped the valium, then I felt the vibe.
Hours later we keep conversatin'.
Flirtin' back 'n forth, it was gettin' complicated.
Kissed her for the very first time.
Mwah...D to the Mwah.
It feels good when our lips are touchin'.
Nick name D-Loc, real name Dustin.
I was wondering your dimensions?
32, 24, 34
Oh did I mention, the wine in the wine rack.
Relax now the lights get dime.
The last thing I did before I slipped it in...

[Chorus DADDY X]

You know the time is right.
These words they might collide.
It's like the perfect night to bang it down and fuck
tonight.
You know i'll do you right.
My bark's just like my bite.
I wanna lick ya, stick ya, ride ya like my motorbike
tonight.
Who's down to fuck tonight?
WooooOOoohh
Tonight, tonight, tonight.
Who's down to fuck tonight?

[RICHTER]

OOooh now where should I start?
So many different stories to remember it's hard.
'bout to speak from my heart.
Break it down to the basics.
Not real good with names, but I'm great with faces.
Some people are tasteless, but Ima be blatenet.

The things girls will do can be so fuckin' amazin'.
When the night gets ragin', they start feelin' strange.
And all of a sudden 3 on 1, WoW, what an
arrangement.
Crazy shit, strictly runnin' the show.
Chick's sittin' on the floor duck, duck, goose, go.
I love females. Call all the girls you know.
You can never have enough, you can always use more.
At a pimp and ho party things are usually crackin'.

And if Richter's in the house, then things are happenin'.
I like bad ass bitches that drive for 5 hours.
To come get a nut, take a shower, and bounce.

[Chorus DADDY X]

You know the time is right.
These words they might collide.
It's like the perfect night to bang it down and fuck
tonight.
You know i'll do you right.
My bark's just like my bite.
I wanna lick ya, stick ya, ride ya like my motorbike
tonight.
Who's down to fuck tonight?
WooooOOoohh
Tonight, tonight, tonight.
Who's down to fuck tonight?

[Girl]

Daddy!

[DADDY X]

Daddy X. This is my world.

I got my dream girl. Fantasy on tap.
Housebroke baby, she don't talk back.
In fact, wake up she's dancin' on my lap.
Keeps my dick hard, keeps semen in my sack.
Playboy bunny placin' money in stacks.
What can I say?
I got it like that.
I'm cool like that, we cool like that.
She's a gansta bitch.
Pants, clits and her tits.
Body does the bangin', hips do the hits.
Lips do the service, body fully equiped.
Sweetest tastin' pussy that I ever licked.
And Ima eat that shit 'till I'm 66.
And when my teeth fall out, Ima gum it to death.
Put me in the coffin with pussy breath.
And in the afterlife Ima still be about it.

Ask Jesus Christ if you even fuckin doubt it

[Chorus DADDY X]

You know the time is right.

These words they might collide.

It's like the perfect night to bang it down and fuck tonight.

You know i'll do you right.

My bark's just like my bite.

I wanna lick ya, stick ya, ride ya like my motorbike tonight.

Who's down to fuck tonight?

WooooOOoohh

Tonight, tonight, tonight.

Who's down to fuck tonight?
