Yeah we some west side high ridaz

We reel you a fool for this one

Up in smoke until the day we die, we stay high

To all the smokers and the tokers from around the way,
we goin' up in smoke like every day cause we Loadies,
Loadies, Loadies, Loadies, Loadies, Loadies.

To all the smokers and the growers all across the land,
we goin' up in smoke until we free the plant cause we
Loadies, Loadies, Loadies, Loadies, Loadies, Loadies.

I'm a stoner call me a loadie, a big time toker, high
times roadie, you got some good weed? Call me; show
me I'll be right there with some glass and a 40. A burnt
out slacker, new age Spicolli, *was sup dudes* my
slight speech slowly, hear the bud talkin? somebody
roll me. Fire it up, smoke me, somebody smoke me.

What it is and what it was you know we're puffin on this
shit we got the biggest and the greatest shit the king
Kong spliffs, pack another rip so I can blow it up in the
track don't be nicer to the beats you can hear us with
the rap. You know we get a fifth, and rippin' when were
clippin', in the pool smoking chronic yeah you know we
like spittin? stop trippin', stop trippin? man. You could
catch a feelin' when I'm spittin' smokin' chronic

To all the smokers and the tokers from around the way,
we goin' up in smoke like every day cause we Loadies,
Loadies, Loadies, Loadies, Loadies, Loadies.

To all the smokers and the growers all across the land,
we goin' up in smoke until we free the plant cause we
Loadies, Loadies, Loadies, Loadies, Loadies, Loadies.

If you like to smoke chronic and stay real high, we
goin' up in smoke until the day we die
?Cause we loadies, loadies, loadies, loadies, loadies,
loadies.

You can smell the sweet leaf when I enter the room,
you know Richter's got the bomb that make your head
got BOOM, the crazy kryptonite, super, super triple A
plus, the type of bud that got everybody wantin? to
blaze with us, so would ya pick it pick your pipe up and
pack a bowl, or roll up a fat blunt so we all can smoke.
And that's the shit right there I said deaf not, deaf,
fuck it he can't hear.

L-o-a-d-i-e- Loadies, L-o-a-d-i-e- Loadies, L-o-a-d-i-e-
Loadies, L-o-a-d-i

Yeah we smokin? weed, yeah, yeah we smoking weed,
yeah we smokin? weed yeah, yeah we smokin? weed,
yeah we smoke we yeah, yeah we smoking weed.

Have you smoked the weed?
