Long Live the Kings  
Kings and Queens, raise your glass as I propose a toast  
To the long living legacy, of the Kottonmouth Kings

What's good here we got the game on lock  
We ain't goin nowhere, we still sittin on top  
We still doing our thing  
We still raining supreme  
That's why everywhere we go they're yelling  
Kottonmout Kings

We still here we got the game on lock  
We ain't goin nowhere, we still sittin on top  
We still doing our thing  
We still raining supreme  
That's why everywhere we go they're yelling  
Kottonmout Kings

Yo  
Whoever thought these rowdy whities from the  
Southern  
California, Orange County  
Would still be pushin and poundin

Our beats in the streets and smokin fifteen years later  
Some say it's an incredible beat like the rebound of the  
lakers  
So I'm here to thank the people who that it all possible  
The kings and queens close to the crew that's out on  
the road  
My homies at the noize in the warehouse shipping  
stage  
Johnny Richter I'm ya boy, and these colors never  
change

D-Loc back again  
Blaze the weed you can ask a friend  
Load a bowl, burn the head  
Let the games begin so here we go  
Yeah, Yeah on the road  
Place blow, Kottonmouth killin shows

Fuck the hoes, 13 we still in a row  
Killin the flow  
Killin the show
