I'm just gonna keep getting stoned  
Till marijuana's legalized  
Marijuana  
I'm just gonna keep getting stoned  
Cause it makes everything alright  
Marijuana

Marijuana, yeah my one and only  
She keeps me company when I'm feeling lonely  
We go together like cheese and bologna  
If I was made of weed, shit I'd even try to clone me  
Nature's gift, you have uplifting powers  
A couple hits and I'm lit for hours  
I'm talking high high like the sear's tower  
I like my skunk sweet and my diesel sour

Yeah I'm smokin bud ya know it's time to get it on  
Roll it in a joint you can put it in a bong  
Fill ya blunt up  
Smoke it till it's dust  
There's no need to hurry, there's no need to rush  
Feel the rush when I'm all up in the cut  
See me slowing down while you cats is speeding up  
Never too fast,  
I creep like a low rider  
Fuck the clocks when I puff

[Chorus]  
I'm about to lose control  
I've packed myself another bowl  
Cause marijuana helps me with my mind  
Marijuana  
Helps me open up my soul  
The powers of the magic bowl  
Everything is better when you're high  
Marijuana

"Hey dude I saw that show"  
"Did you see it on weed?"  
"Well no, I don't smoke"  
Then you don't know what I mean  
When you're stoned there's a different zone your

brain's in  
People get to laughing at your jokes, even I'm a  
comedian  
Imma keep continuing to fight till it's legalized  
Cause I'm completely at east every time that I am  
getting high  
So tell me why you wanna fuck with me?  
Come on dawg, let a stoner go free

Now you needa burn a bag, homie where's your sack  
at?  
Break out your bong dawg, where are you at at  
Yeah we smoke kush, and we smoke green crack  
Roll the illest blunts, in bus in the back back  
Always smoked out  
Always blowin clouds  
I got the killa chronic and the dirty dirty mouth  
24/7 stay high every day  
K-m-k stay blazed  
Stay blazed

[Chorus]  
I'm about to lose control  
I've packed myself another bowl  
Cause marijuana helps me with my mind  
Marijuana  
Helps me open up my soul  
The powers of the magic bowl  
Everything is better when you're high  
Marijuana

I'm just gonna keep getting stoned  
Till marijuana's legalized  
Marijuana  
I'm just gonna keep getting stoned  
Cause it makes everything alright  
Marijuana

Marijuana ---- ---- --- diva  
Chronic pains stress reliever  
You the giver, I am the receiver  
Maryjane yeah, makes me a believer  
Teacher, teacher, oh thank ya teacher  
For teaching me to reach a little deeper  
So old school, I still call it reefer  
Marijuana

[Chorus]  
I'm about to lose control  
I've packed myself another bowl  
Cause marijuana helps me with my mind

Marijuana  
Helps me open up my soul  
The powers of the magic bowl  
Everything is better when you're high  
Marijuana
