Night life, hey girlie don't ya frown  
That's right, Saint's parents are outta town  
Night life, and you know we're gonna do it right  
That's right, cuz kottonmouths in the house tonight

Well I'm sittin at Saint's, gettin' ready for the party  
Sippin' on a tall boy, callin' up the hotties  
come over here and get a rip of this dank  
I love the lovely herb so the lord i do thank.  
The stereos bumpin' got some freaks on the way  
Man i need another tall boy to get in my sway  
The freaks show up we're gonna look like no other  
Hey dude watch out she's got a big ass brother  
No need to worry, don't even stress  
theres a hottie over yonder in a tight black dress  
Damn you ain't lying no need for dissention  
Now check out my skillz as I get her attention

Hey shorty, hey shorty, hey shorty  
Girl don't act like you don't know me

Night life, hey girlie don't ya frown  
That's right, Saint's parents are outta town  
Night life, and you know we're gonna do it right  
That's right, cuz kottonmouths in the house tonight

We off to buy some smokes so off we went  
Are you alright to drive? Nah bitch i'm bent  
When i heard that man i knew it was trouble  
Richter stompin on the brakes like hes Barney Rubble  
Back to 22 (??) when we got to the liquor store  
Slide on my shades as i walked through the front door  
Cuz ya know, i was steady blazed, i felt like i was in  
Jimi's purple haze  
I bought a bag of chips cuz you know i got the  
munchies  
And some ruff riders for all the freaky honeys  
Hey yo, stop barkin' you're fuckin' up my high  
And i got the freak with the light brown eyes  
Man pussy ain't got a name on it  
Every time loc's drunk he tries to put a claim on it

So if yer gonna crack man you better do it right  
Cuz theirs 3 kottonmouths in the house tonight

Night life, hey ladies don't you frown  
That's right, Richter's parents are out of town  
Night life, and you know we're gonna do it right  
Kottonmouths in the house tonight

When we got back to the party the place was packed  
Look at all the hotties, I'm about to mack  
Should we take the back door? No lets cruise the front  
Oh yeah - and Dloc fire up that phillie blunt  
Look over there, bitches straight kissin'  
Tongue rings and all, what the fuck we missin?

Lesbos, the best lay in town  
Lesbos, they like to play around  
Lesbos, they're really freaky chicks  
The only problem is they don't like to play with dicks

Now the cops just arrived and they're ringin on the bell  
Everybody keep it down, i put some clothes on Michelle.  
You see here son we've had a few too many calls  
There's far too much noise knockin' off these walls  
You need to break it up, you're disturbin the peace  
Well, I'm sorry officer, fuck the police!

Night life, yo Richter don't you frown  
That's right, Daddy Richter's outta town  
Night life, and you know we're gonna do it right  
That's right, cuz kottonmouths in the house tonight

Night life, hey girlies don't you frown  
That's right, kottonmouth is in your town  
Night life, and you know we're gonna do it right  
That's right, kottonmouth in the house tonight
