Night life
Hey girlie don't ya frown
That's right
Saint's parents are outta town
Night life
And you know we're gonna do it right
That's right
'cause kottonmouths in the house tonight

Well a tit and a taint, gettin' ready for the party
Sippin' on a tall can, callin' up the hotties
Come over here and get a rip of the dank
I love the lovely herb so the lord i do thank
Now the stereos bumpin' got some freaks on the way
Man i need another tall one to get in my sway
The freaks show up and one looked like no other
Hey dude watch out she's got a big ass brother
No need to worry, don't even stress
Look at honey over yonder in the tight black dress
Damn you ain't lying no need for dissention
Now check out my skillz as I get her attention
Hey shorty, Hey shorty, Hey shorty
Girl don't act like you don't know me

Night life
Hey girlie don't ya frown
That's right
Saint's parents are outta town
Night life
And you know we're gonna do it right
That's right
'cause Kottonmouths in the house tonight

Well we gotta buy some smokes so off we went
Man are you alright to drive? Naw bitch i'm bent
When i heard that man i knew it was trouble
Richter stompin' on the brakes like he's Barney Rubble
Back at 22 when we got to the liquor store
Slide on my shades as i walked through the front door
'cause yo, i was steady blazed, i felt like i was in Jimi's
purple haze
I grabbed a bag of chips 'cause you know i got the

munchies

And some ruff riders for all the freaky honeys
Hey yo, stop barkin' you're fuckin' up my high
Oh, and I got the freak with the light brown eyes
Man pussy ain't got a name on it
Every time Loc's drunk he tries to put a claim on it
So if yer gonna crack man you better do it right
'cause theirs 3 kottonmouths in the house tonight

Night life

Hey ladies don't you frown

That's right

Richter's parents are out of town

Night life

And you know we're gonna do it right

That's right

'cause Kottonmouths in the house tonight

When we got back to the party the place was packed
Look at all the hotties, I'm about to mack
Should we take the back door? Naw lets cruise the front
Oh yeah, and D-Loc fire up that phillie blunt
Look over there, bitches straight kissin'
Tongue rings and all, what the fuck we missin'?
Lesbos, the best lay in town
Lesbos, they like to play around
Lesbos, they're really freaky chicks
The only problem is they don't like to play with dicks
Now the cops just arrived and they're ringin' on the bell
Everybody keep it down, and put some clothes on
Michelle
You see here son we've had a few too many calls
There's far too much noise knockin' off these walls
You need to break it up, you're disturbin' the peace
Well, I'm sorry officer
Fuck the police!

Night life

Yo bitches don't you frown

That's right

Daddy Richter's outta town

Night life

And you know we're gonna do it right

That's right

'cause Kottonmouths in the house tonight

Night life

Hey girlies don't you frown

That's right

Kottonmouth is in your town

Night life
And you know we're gonna do it right
That's right
Kottonmouths in the house tonight

Kottonmouth, punk rock
Kottonmouth, punk rock...
