Welcome to the west coast, where the real tokers stay
They should rename this the cannabis state..(Cannabis
state)

We cant relate if you aint from the area
We got the one hitter quitter thatÃ,Ã'll bury ya
It gets scarier when clones cross polonaise
Hydro, criptnotic, super sonic, madocnize
You wake up and you still feelin grubby yeah
Heads foggy like cereal thatÃ,Ã's soggy yeah
You pack a bowl but you cant find your lighter stick
(??) somebody call cypress hill
Sen Dog you got some fire for a brother man?
Ã,Ã"I got some fire but your lighterÃ,Ã's still up in your
handÃ,Ã"

[Chorus]

Put the pipe down, put the, put the, put the pipe down
Put the, put the, put the pipe down PUT THE PIPE DOWN
Put your bong down, put your, put your, put your bong

Put your, put your, put your bong down PUT YOUR
BONG DOWN
Put the blunt down, put the, put the, put the blunt down
Put the, put the, put the blunt down PUT THE BLUNT

Put the pipe down, put your bong down, put the blunt

And listen up nowÃ,Ã...

[Sen Dog]

Hit Ã,Ã'em with a sick shit, just like the misfits
Kottonmouth and cypress hill, always kick the dope shit
Down with Daddy X, D-Loc and Johnny Richter
Southern Cali most high do ya get the picture?
We donÃ,Ã't stop, we just keep on thumping
(??) Home boy aint lackin nothing
From the streets of South Beach all the way to the O.C.
Any way around the world we smoke the dope weed
We got what it takes, cush, bud, hash cakes
Smoke filled room when the hits take place
I becoming mad stoned on the phone with Tommy
Chong
Beatin on my chest mad dog, King Kong
Heres another verse from the dirt that came first
We comin at ya hard from the ghetto to the surf
??

..and listen up now
