It's time for 'Real Talk' with Bobby B
Attention young ladies, attention young ladies
Man homeboy's over here in the garage with four
1,000's
Powder nutrients growing in the dirt

Takin' 4 and a half months not even getting a full peak
Ya know, ya know, ya know
In a room, the size of like a telephone booth
Using liquid nutrients, buds swell rock, wool

One 1,000 watt high pressure sodium
Kevorki buds the size of a fuckin' Volkswagen
Ya know what I'm talkin' about, you do the math
motherfucker

What's up smokers?
Another Suburban Noize joint for you to pull on
Stoners Reeking Havoc

I'ma get you so high, mind boggling
I'ma make that ass fly, mind boggling
Hit the bong, stand by, mind boggling
I'ma get you so high

Back up off me, I need rooms to puff
Fuck Babylon, man I can't get enough
Rough I smoke, so I like it goin' down
We're all getting lifted 'cause I just stole a pound

Two hits and pass, that's what Saint's yellin'
Fuck that shit, I'm hittin' till my mind's gellin'
And when I'm done, I'll head to Flannagan's
To play some pool and that's with a couple friends

Grabbed a sack, it's off to a local park
Break out the bong, pack it tight and let it spark
Windows up so the bug's gettin' fishbowed
And if you're in, you can't escape the indo

Oh shit, it's gettin' deep into my mind
I took 7 hits off that bud called kind

Close my eyes, my mind starts joggin'
Here I go again man, my mind's boggling

I'ma get you so high, mind boggling
I'ma make that ass fly, mind boggling
Hit the bong stand by, mind boggling
I'ma get you so high

Here I go reminiscing about the weekend
Takin' time to remember where my shit has been
Dinner to dancing, fly girl romancing
Ballin' with the homies, smoking buds and relaxin'

High fashion is how I was smoking
Fuck the schwag weed, indo is what I'm tokin'
Spliff to my lips as I tilt my head back
Lookin' like a mack 'cause I'm down to blaze a sack

I said inhale, exhale, Kottonmouth hit, so I said, "That's
swell"
Pass a tweak to the left, party buzz's set in
I need some fresh air because I'm high off that in
Walked towards the door but man I didn't get far

High kicked in, I took a seat at the bar
As I look into the sky and the air starts smogin'
Here I go again, yo my mind's boggling

I'ma get you so high, mind boggling
I'ma make that ass fly, mind boggling
Hit the bong stand by, mind boggling
I'ma get you so high

Here I go, getting deep into my mind again
Thinking 'bout good times, smoking kind again
By myself so you say, am I a stoner or a loner
Man I can't call, in this cell-lock realm that I'm livin' in

I got family members fiending from the cocaine
And loved ones locked up in prison
That's why I'm bailin', yellin', "Man fuck the system!"
All the pressures of this life get me frustrated

So I reach for the bong so I can get faded
I blaze a bowl, hope it takes me to another level
To escape the pain and all my life's trouble
Close my eyes, pray take the pain away

Ask the Lord, should I live to see another day
Rob Harris died, I guess that's one of life's little tests
Jason Thirsk took a bullet to his chest

Monique Delgado my first real true love

Died at 23, now she's waiting for me up above
I grabbed a pipe, pack it tight, start hoggin'
Here I go again motherfucker my mind's boggling

I'ma get you so high, mind boggling
I'ma make that ass fly, mind boggling
Hit the bong stand by, mind boggling
I'ma get you so high
