Let's, let's stick together
Stick together
Till the war is won
Me and you we gon fight together
We gon fight forever till the war is won, won now
You and me, friends and family, and we gon stick
together
Till the war is done
And here we go again

My fans is my friends,
My bands my family
That's just the way it is I can't explain it more clearly
Can't speak of it enough I can't even begin to show how
much I love yall
So this songs ta let ya know
Yo, just ta let ya know it's from the D-Double-Dash
We be on the dance its like back in the past
And were not gonna stop twenty kings of all kings
So we stickin together you know the P-T-P
Ya, ya you know the kids they begin to grown up
It's Bobby ?you know pock? I gotta take that to Loc
Thanks a lot yea, yea, yea good lookin out you know
you'll help us out
We was broke with no money getting kicked out our
house
But now we both all right payin off home loans
Livin life so nice smokin the home grown
Roll the dice ?lice kites? Getting full blown
Yes we came up together everybody sing along

Me and you we gon fight together
We gon fight forever till the war is won, won now
You and me, friends and family, and we gon stick
together
Till the war is done
And here we go again

Now we blazin trails livin life to the fullest
Lettin all the people know leavin other people clueless
If it wasn't for yall then there wouldn't be us
And the world full of laughs so who can you trust

I know I trust my dogs all each and everyone
And then when the gang comes ill be chillin in the sun
While your chillin in the sun ill be lampin in the shade
Gettin laid be my sexy girl, my shoulder blade
Yea you know that's right see we stoned and in charge
Livin high on the hog makin music as our job
In the studio non stop everyday and every night
Tryin to pay the bills and keep the rhyme skills tight
We keep ?em tight alright pack the piece pipe
Keep the crowd hyped, we live the night life

So, this is the ?life of my conscious objector?
Let's stick together till the war is won

So let's, let's stick together
Stick together till the war is won
Me and you we gon fight together
We gon fight forever till the war is won, won now
You and me, friends and family, and we gon stick
together
Till the war is done
And here we go again

Yes it's my turn on the mic to set the story straight
I wouldn't be shit, I wouldn't get paid
Nobody ever came to a KMK show
See the war that I'm fighten is the war of survival
You know the Kottonmouth Kings puts the KMK on
We all stick together cause we rock so strong
Were gonna fight forever till the war is won
You might think this shit is over
But it's barely just begun
Well here's a little story that needs to be told
About the Kottonmouth Kings who came from the road
Endless rebel music to reach out the soul with
Given you hope when you feelin hopeless
Free expression, truth, and unity
It's a mass succession we are family
There's no second guessin yes its destiny
So we stick together for the world to see

So let's, let's stick together
Stick together
Till the war is won
Me and you we gon fight together
We gon fight forever till the war is won, won now
You and me, friends and family, and we gon stick
together
Till the war is done
And here we go again

Let's, let's stick together
Stick together till the war is won
Let's, let's stick together, stick together
Till the war is won
