Stoner Bitch

By: The Kottonmouth Kings

I need a stoner bitch  
I need a sto-sto-sto-stoner bitch  
I need a sto-sto-sto-sto-sto stoner bitch  
Repeat x2 (with voice altering)

{Potluck}

I need a stoner bitch baby  
Lookin just like you  
And if you like to get high  
Well then you just might do  
Never cry you only sad  
when the sack is gone  
I got a pound and a bong  
So girl pack the bong  
Fuck the Coach, Fuck the Prada,  
Fuck the Dolce and Gabbana  
She's happy kickin back  
smokin a fat sac of Marijuana  
We'll be together forever  
that's what she promised me  
The only breakin up we do  
Is when we breakin up the weed  
And please believe she's doin it right  
She's the type of girl that likes  
to smoke and fuck all night  
She's the love of my life  
My stoner bitch is the Bombay  
She's better than a blonde babe  
And better than Beyonce  
Ass so big you can see it from the front  
And she's so damn sexy  
how she pass the blunt  
My stoner bitch is like a dream to me  
She be so fine  
I gotta make this little fly  
Stoner bitch all mine

[Chorus]

{Potluck}

I need a sto-sto-sto-stoner bitch  
I need a sto-sto-sto-sto-sto stoner bitch  
(repeat x2)  
Some men they wanna girl  
Who's gotta nice face  
Big ass titties and a slim ass waist  
Some men they wanna girl  
Who they know can cook and clean  
Take care of the kids  
and hook a steak up in between  
Some men they wanna girl  
Who can be a freak in bed  
Suck a good dick and put they legs  
behind they head  
But me I wanna stoner bitch  
who always got a blunt  
The type of girl that love to smoke  
and skillz at rollin up

{Daddy X}

I got a stoner bitch  
She's the queen of the green  
She licks my nut sac  
Like she licks the blunt baby we  
Always stoned at the pad  
Up at rollers rollin green  
Fat airtight joints she's a rollin machine  
She's a queen  
and I'm a Kottonmouth King  
And we fiends for the green  
And the sex in between  
The hits and the ditz is like bouncin all crazy  
We be high in the sheets fuckin stoned  
pickin daisies  
Its amazing and this is no fabrication  
Daddy X I got the finest stoner bitch in the nation  
And I put that on circa like my mothafuckin life  
Til death do us part she's my bud smoking wife

[Talk]

{Potluck}

She was probably one of the best hoes  
If not thee best hoe I ever had  
What she would do is like  
little shit that I like done  
Uh, havin my joint rolled and ready

{johnny richter}

Yeah rolled and ready

pack and load it now its time to smoke  
And talk about my stoner bitch  
cuz man she ain't no joke  
Let's get it straight  
don't ever let her hear you call her bitch  
Just like the lights go on and off  
her attitude will switch  
I got a fine lady love to blaze  
and sit some while  
and lay up on the couch with me  
when it's getting close to game time  
My stoner lady's bad as fuck  
And yes she likes to fuck  
Like simon loves it when  
I'm diggin deep inside her guts  
No macaroni and cheese please  
she'll hit the store  
If we outta weed  
then she's out the door to make a score  
She be the love of my life  
I know she's down to ride  
My stoner baby maybe someday  
be my stoner wife

[Chorus]

I need a sto-sto-sto-stoner bitch  
I need a sto-sto-sto-sto-sto stoner bitch  
(repeat x2)

{Potluck}

My stoner bitch got ass for days  
the munchies make her thick  
She help me grow my plants  
And she knows a couple tricks  
The type a bitch who never snitch  
And quick to light a spliff  
The type a bitch who takin trips  
And help me sell my shit  
My girl she got a green thumb  
And round my green house  
She pickin up my pounds  
And she drive em down south  
Your girl is kinda bullshit  
Ya no smoking with your spouse  
She gotcha watchin Oprah  
while you cuddle on the couch  
But me I'm sayin fuck a bitch  
Unless she wanna smoke  
Tell a couple funny jokes  
While she takes another toke  
Some girls will take a cherry stem

and tie em with their tongue  
My girl will roll another blunt  
and smoke it til it's done  
Your bitch is in the kitchen  
with some chickin shake n bake  
My bitch is takin bong hits  
and love the way I bake  
Cuz I'm a stoner, you a stoner  
she's a stoner too  
And I'm in love with stoner bitches  
Just like you

I need a stoner bitch
