KOTTONMOUTH KINGS - SUPERHERO

kid: hello is any body there?
can you hear me?
please pick up the phone, pick up the phone
theres a scary dude,
we need help down here, HELP!

(chorus)

who'll save us, who'll save us
we need a fearless super hero x3

kid: daddy im scared, what are we gonna do?
daddy are we gonna be okay?
were gonna be in a lot of trouble arn't we daddy?
oh dadd what are we gonna do? im scared

we dont need dirty money
no need for tanks and guns
we dont want modern warfare
dont need no tender love
we dont need higher prices
no fashion magazines
we dont need more emission
dont need no more desease

we dont need bigger weapons
dont need no ?
we need a super hero
come down and save this place

to the rescue
to the rescue

(chorus)

Kid: There not comming, are they?
No one's gonna come save us.
There's no such thing as a superhero.
there's no such thing.
'cause there are no superhero.

dont want fabrication
we dont need no fancy cars

dont need more inflation
dont need no more movie stars
we dont want more prescriptions
(Not finished)
