You'll respect my shit or you well get checked.

I'm getting tired of playin these hoes

It's time for yall to hit the switches  
Bounch out quick

And don't get slit because I got a ganster bitch.

Baby listen up real quick  
Hear I go about to talk about some natrual shit  
So listen to the flow while my dicks in your mouth  
And we fuckin on the couch  
And I'm turnin you out the pussy like wooo  
And I know that you love to come with me  
At the same time when I'm sweatin on your chest.  
Got you meserized I can see it in your eyes  
You better tell those other guys that you belong to me.

*[chorus]*

I don't really care about your motha fuckin past  
Or how yer last boyfriend that treated you like trash  
Wanna keep it real I just hit that ass  
So stop the fucking talking babe and go and take a  
bath  
Bring it back clean I work it down slow  
I wanna take my time with you just to let you know  
Your messin with a pimp here a certified pro  
And I wanna hear you scream like wooo wo wooo oo

*[Richter]*

Take a bath baby go and wash away your insecurities  
Go wash away your fears, wash away your enemy

Bring it back nice and fresh  
For a player to play with  
Pussy like a slip and slide with it's riding on my dick

Damn baby you so fine  
Pussy look so good when you grindin up on mine  
That's right baby work it nice and slow  
From the left to the right now work it to and fro oo  
You know that feels so bomb  
You know I wish I could fuck you without a condom on  
But it aint possible that shit just aint gonna happin  
Pussy after pussy I be magnum mashin  
If you got a golden ticket then let's kick it treat it like I

Some say it's the hoe in me but yo I can't get enough  
So baby go and take a bath and get ready to fuck.
