Why do people always wanna know about Richter?
What I do at home, how much I really smoke
If I really got as many bongas as I claim
If my bark's about drinkin' just a game, well, listen up

Drinkin' Vodka, Blue Label, Smirnoff on the rocks
Wishin' I had my sack but I left it a Pak's
Vape rips got me trippin', shit, I almost got lost
Walkin' up to my own crib comin' from the garage

But the night ain't over yet I got places to go
Hit the bar to get faded but I needed some more
I told him make sure it's mean but when he brought my
bag of green
It was the B.C. so I only got phaze know what I mean

If you don't that's new lingo a phazers an eighth
I don't get more than an eighth if there ain't crip out on
the plate
New saying it's not crip doesn't mean that it ain't kind
It just means the herb you got ain't close to half as
good as mine

That's right the truth hurts but not as bad as the dirt
Comin' up through your throat when you choke and
that's my word
Damn that shit burns I don't even like to think, about the
Kottonmouth
You'd suffer if you didn't have a drink

'Cause these are the types of things I do
And these are the types of tales I tell
People ask me if I smoke I say I do
And the smoke I exhale got that chronic smell

Wake up when I want 'cause that's the life I lead
Out every night takin' trips every week
Hangin' out with my peeps just livin' the life
Only smokin' outta glass while you hittin' metal pipes

International flights, passport gettin' filled
You know the show'll be tight if KMK's on the bill

Punk, rock, hip hop, pits never seem to stop
When the crowds gettin' tired it's their heads that bob

I got a job but I ain't callin' it work
Gettin' paid to smoke herb ain't work it's absurd
Kottonmouth Kings taken over this millennium
Suburban Noize family I know you will be feelin' 'em

Comin' out your stereo or seein' us on stage
Leavin' thousands astonished, leavin' ladies in a daze
People shocked and amazed the weak hearted seem to faint
When they take one hit off of Johnny Richter's dank

'Cause I keep goin', continuously flowin'
Like the wrappers on my condoms people say that I am golden
I've been flowin' like my hydro when I wow those near and far
I'd rather have 10 pounds of chronic than a fancy fuckin' car

'Cause these are the types of things I do
And these are the types of tales I tell
People ask me if I smoke I say I do
And the smoke I exhale got that chronic smell

'Cause these are the types of things I do
And these are the types of tales I tell
People ask me if I smoke I say I do
And the smoke I exhale got that chronic smell

Stumble in the front door throw my jacket on the ground
Looked left, looked right, shit, I looked all around
The house was all quiet didn't hear a single sound
Grabbed a bottle of Bacardi and proceeded to pound

About a quarter way through 'bout 11:32
Headed to Del Taco 'cause I need to get some food
If not I'm gonna puke and I don't want that
Shouldn't of drank 20 beers, shouldn't have smoked 10 bats

Couldn't relax, that is my stomach of course
Shit was comin' up fast and it was chargin' with force
Flew past my vocal cords quickly approaching my teeth
Throwin' up every color red, yellow, orange, green

There it was for me to see right in front of my eyes
A burrito two tacos and my chill cheese fries

Now there's a lesson to learn if you listen right here
Beer, liquor, never sicker, liquor, beer, you in the clear

'Cause these are the types of things I do
And these are the types of tales I tell
People ask me if I smoke I say I do
And the smoke I exhale got that chronic smell

Don't worry about it
Johnny Richter out smoking the fucking planet all day
long
Don't forget I was a underage alcoholic before you
were tasting a bong
Been smoking for a decade, got ten years under my
belt
And I ain't even 24
Don't worry about it

Devastating to your ear
Devastating to your ear
Devastating to your ear
