When I woke up today  
I felt so out of place  
Like I was from outer space  
I didnt know a single face  
Guess I must be trippin  
Trippin trippin trippin trippin

[Richter]

Yo  
I felt like I was on mars  
Got people in my garage  
I thought it was a dream  
Or at least a fuckin mirage  
But yo i cant believe these dumb asses still here  
Lookin pass me like Im headed to town with  
camouflage gear  
Who knows the feel that I feelin whos been in my shoes  
Have the party at your house  
Now youre singin the blues  
A bunch of people from the club still on the up and up  
Yo I must be trippin shits about to get ruff

[Daddy X]

Ruff n tuff ?????? ??? its the backyard bandit  
Come through smashin the slam dance fashion  
DGAF and theyre laughin out loud  
Cuz to me mc means move the crowd  
But for now  
I need to put the mic down  
Put the mic down put the put the mic down  
Cuz Im trippin like dirtball in a mushroom cloud  
So Im down extra special ?????? breakin down

[Chorus]

When I woke up today  
I felt so out of place  
Like I was from outer space  
I didnt know a single face  
Guess I must be trippin

In a purple haze psychedelic sunshine dreams  
Rainbow colored streams  
Chocolate stained ice cream on me  
Guess I must be trippin

[D-Loc]

Wakin up from a nap havin bad dreams  
Trippin on my ass with the ganja green  
I see people all around tryin kill me  
So why do I think these things are in my sleep  
Like fallin from the sky and runnin from police  
What the say shit ???knee before you z???  
Whatd I say yo theres demons in my sheets  
Oooh scary when youre havin bad dreams  
Now my pillows gettin wet and Im starting to sweat

Get out of bed and go see whats next  
To the sink so I can wash my face  
Look in the mirror because Im feelin dazed  
Now my skins feelin fake and its trippin me out  
So I take a bubble bath relax and lay down  
Out of the bath head straight to the couch  
Open the house and turn the tv on

[Chorus]

When I woke up today  
I felt so out of place  
Like I was from outer space  
I didnt know a single face  
Guess I must be trippin  
In a purple haze psychedelic sunshine dreams  
Rainbow colored streams  
Chocolate stained ice cream on me  
Guess I must be trippin

[Daddy X]

Hot damn loc what am I to do  
Trying wake up but my eyes are like glue  
Stuck shut [?just for luck?] I got to pry them open  
Broke out my flame thrower now my joints really  
smokin  
Stepped out my bed landed right in some quicksand  
Sinkin and Im thinkin just as fast as I can  
Shazam my hand lashed on to the bedpost  
I rose like a ghost to the indo smoke

[Richter]

I remember this one time when I was trippin balls  
And I had my window open started hearin dogs bark  
But I understood what the fuck they was speakin  
It sounded like words to me what was I thinkin  
Wheres my mind at is it still in my head  
Am I even still alive or am I suddenly dead  
I pinched my arm to find out if this is real or a dream  
I was in bed was sleepin I was just ?fifteen?

[Chorus]

When I woke up today  
I felt so out of place  
Like I was from outer space  
I didnt know a single face  
Guess I must be trippin  
In a purple haze psychedelic sunshine dreams  
Rainbow colored streams  
Chocolate stained ice cream on me  
Guess I must be trippin

Trippin trippin trippin trippin
