The war on drugs is a war on me and if its not then let  
me be home of the brave  
Land of the free Its just a plant so let freedom ring

I'm sick of these snitches droppin dimes on my block to  
my small sack slangers  
To my indoor crops or our cash money business or my  
late night stops or  
Anything about this old school pimp called pops

Yeah! Shit fuck Piss  
I can't stand the cops they're always on my dick trying  
to snatch my crops but  
They'll never gonna get 'em cause givem to my pops  
then I fail out of town in  
My matha fucking dodge

You can't catch me so please stop trying there's no  
denyin that the cops are  
Lie'en  
Not me because I not you can't relate when I look you in  
the face I can tell  
That you're a fake. Ha! Ha! Ha

Zero Tolerance I got zero tolerance

Just because you're a you fat wanna be stinky ass  
matha fucka  
Tryin to get my shit but you can't you suck get the hell  
out my face?  
Cause your breath stinks bad your badge is dirty you  
cricked as fag

I'm here to free all the people that are livin in fear  
The modern day Paul Revere, Just lend me your ear  
Cause they're comin, in fact they're already right here  
You know how much they spent in the war on drugs  
simply last year?  
Eleven-Billion Dollars straight down the drain  
The war on drugs has cost a lot, you shouldn't worry  
about me, or my bag of pot  
Not hurtin' nobody, not polluting the youth

Not sellin no lies, I'm only giving out truth  
Try to tell me what to do, I won't listen to you  
I'll smoke weed till I die, out of joints, pipes, tubes

Well I'm rymin and I'm stealin - dealin time after time -  
rhyme patterns  
Designed to enlighten your mind - legalize the word  
freedom till the plants not  
A crime and when the plants not a crime we'll all be  
livin divine zero tolerance  
Is ignorance we're drawin the line

Zero Tolerance the war on drugs is a waste of time how  
could a plant be a  
Crime- you got the bombs to kill off our kind- Arrest  
and seize we get jailed  
Fucked-w/-Find - free the plant

Zero Tolerance I got zero tolerance
