Monday we're the cutest little couple
On Tuesday we start to have a little trouble
By Wednesday we can't stand one another
On Thursday we're not speaking to each other
Now it's Friday and I'm feeling all alone
On Saturday you start blowing up my phone
By Sunday we're the best of friends
Then the week starts and we do it all again

Chorus

We just love and fight
We just love and fight
Why can't we get it right
It's just a high school love x2

We just love and fight
Everyday and night
Why can't we get it right
It's just a high school love

We just love and fight
We just love and fight
Why can't we get it right
It's just a high school love

Love x7

You say one day we'll be happy together
And that day seems like it's taking forever
On some days we do a little bit better
And The next day we catch the worst of all weather
On a bad day and from time to time feels like it's the
last day
And then we get some sunshine 'cuz it's a new day
And we're the best of friends
Then the week starts and we do it all again

(Chorus)

We just love and fight
We just love and fight
Why can't we get it right
It's just a high school love

WE just love and fight
Everyday and night
Why can't we get it right
It's just a high school love

We just love and fight
WE just love and fight
Why can't we get it right
It's just a high school

Love x4

We're in love
We're in love
What are we fighting for?
What are we fighting for?

We're in love
We're n love
What am I fighting for?
What am I fighting for?

We're in love
We're in love
What are you fighting for?
What are fighting for?

We're in love
We're in love
That's what we're fighting for
That's what we're fighting for

(Chorus)

WE just love and fight
We just love and fight
Why can't we get it right
It's just a high school love x2

We just love and fight
Everyday and night
Why can't we get it right
It's just a high school love

WE just love and fight
We just love and fight
Why can't we get it right
It's just high school love

Oh it's just a high school love

Yea it's just a high school love love
Yea it's just a high school love
Yea Yea
