jesus - you son of hell, look at my evil face  
hear my calling, touch my rage  
graceless liar, feel my hate!

anyway there's the time to  
throw away the "book of lies"  
to suffocate seed of church  
forget the paradise

the church is a loaded gun, war has begun  
rebirth of blasphemy  
you still try to bless blood on your hands  
rebirth of blasphemy  
listen to my speech you son of a bitch  
rebirth of blasphemy  
in my eyes the vatican burns  
rebirth of blasphemy

deliverance doesn't come  
there are only deceived ones

bless the cross - bless the pope  
bless your tricks - bless my dick!

god - you mendacious god  
who with angels makes love  
by your own blood you are always drunk  
the fairy tale doesn't anymore

at the bible the children laugh  
they laugh; you were crucified  
I'll never kiss your hand but you can kiss my ass

kiss the cross - kiss the pope  
bless your tricks - kiss my dick!

god - you mendacious god  
I am not blind, I'm really not blind  
fall on your knees and try to pray  
if it helps because now you die

lord - I am your jack the ripper!
