Yes! No!
Yes! No!

I don't want to be your sex object
Show some feeling and respect
I don't want to be your sex object
I've had enough and that's a fact

Yes! No!
Yes! No!

I don't want to be your sex object
You play your tricks they're just perfect
I don't want to be your sex object
You turn me on then you forget

No! Why?
No! Why?
Maybe, Perhaps, Yes!
Maybe, Perhaps, Yes!

Yes! No!
Yes! No!

I don't want to be your sex object
You play your tricks they're just perfect
I don't want to be your sex object
I've had enough and that's a fact

No... si, si quieres
No... si, si quieres

Por que? No. Quizas.
Por que? No. A lo mejor.
