They're comin across the border by the thousands
everyday

Lookin' for a better life in the good ol' U.S.A.

Well, everybody's talkin' about the aliens invadin'

While I'm savin' every dime for a Mexican vacation

Me, I'm headed your way, hasta luego Jose

You say "hola", I'll say "hi"

When I pass you at the border slap me a high five

You better pack a poncho 'cause it sure gets cold up
here

Me, I'm headed south for hot women and cheap beer

Here's the keys to my Chevrolet

You can have the house and the bills I pay

Welcome to the good ol' U.S.A.

I'm headed your way, Jose

(Cuervo that is, lil' sunshine, some margaritas,

Cabo San Lucas, maybe go see Chichinitza, I love that
word)

Up here we work our asses off just tryin' to get ahead
But you can't spend a dollar if you've worked yourself
to death

From what I hear you way of life is an afternoon siesta

Then back to work for a little while for an all night long
fiesta

Me, I'm headed your way

Well sounds to me like a pretty fair trade

You say "hola", I'll say "hi"

When I pass you at the border slap me a high five

You better pack a poncho 'cause it sure gets cold up
here

Me, I'm headed south for hot women and cheap beer

Here's the keys to my Chevrolet

You can have the house and the bills I pay

Welcome to the good ol' U.S.A.

I'm headed your way, Jose

(White sandy beaches, pesos and jalapenos,

Palm trees, ocean breeze, ah man, Dos Equis)

You say "hola", I'll say "hi"
When I pass you at the border slap me a high five
You better pack a poncho 'cause you'll freeze your ass
off here
Me, I'm headed south for hot women and cheap beer
Here's the keys to my Chevrolet
You can have the house and the bills I pay
Me, I'm kickin' back in the Mexican shade
I'm headed your way, Jose
(Yeah, I'm hittin' the road, man, give me a little burro to
ride on, you
Can have my car, that gas is killin' me)
