If you like a man who  
You can put your trust in  
You don't have to worry  
Where he's been  
Then rest easy  
Girl, you're gonna love me

And if you like to slow dance  
To ol' Keith Whitley  
Long Sunday drives out  
In the country  
I'm your cup of tea  
Girl, you're gonna love me

Come and rest your head against my chest  
'Cause I'm the one for you  
You don't have to look no more  
Your search is through

So girl if you like a handful  
Of fresh wild flowers  
A back rub on a bad day  
Talkin' for hours  
I'm good company  
Girl you're gonna love me

Come and rest your head against my chest  
'Cause I'm the one for you  
You don't have to look no more  
Your search is through

So girl if you like a big heart  
That's in this for the long haul  
Till we're rockin' on the front porch  
And they're callin' me papaw  
Till the last breath you breathe  
Girl you're gonna love me

Just try it and see  
Girl you're gonna love me
