I saw, saw you on the street
I invited you to listen to me
But no you did not
I listened to your conversations
I gave you an invitation
But no uh oh you forgot

Chorus
Maybe you should
CC how your maken me feel and
CC what you make me deal with
You, make it so hard to do
Maybe you should
Be be nice
Listen to my advice
But you'll never CC
You'll never CC

I thought, thought that you were good
I guess I misunderstood
Yeah I did yeah
Maybe I won't let you in
Maybe I won't see you again
Oh yeah oh

Chorus
Maybe you should
CC how your maken me feel and
CC what you make me deal with
You, make it so hard to do
Maybe you should
Be be nice
Listen to my advice
But you'll never CC
You'll never CC

CC, you'll never CC, CC
CC, you'll never CC, CC
CC, you'll never CC, CC
CC, you'll never CC, CC

Chorus

Maybe you should
CC how your maken me feel and
CC what you make me deal with
You, make it so hard to do
Maybe you should
Be be nice
Listen to my advice
But you'll never CC
You'll never CC

Chorus
Maybe you should
CC how your maken me feel and
CC what you make me deal with
You, make it so hard to do
Maybe you should
Be be nice
Listen to my advice
But you'll never CC
You'll never CC

CC, CC, CC, CC, CC, CC, CC
You'll never CC!
