Once upon a time
I thought you were nice
We became great friends
I saw you again
We kept chatting along
We started singing a song oh
Song, song, song, song
Our voices were great together
Wish that it had last forever

Chorus
All I wanna do
Is sing with U
All I wanna see
Is you sing with me
All I wanna do
Is sing with U
I will, will you sing with me
Cause I'll Sing with U

After a week
We made a CD
Won an emmy
We were so happy
We were walking on the street
Singing to the beat oh!
Beat, beat, beat
As the beat was a great catch
Me and you are a singing match

Chorus
All I wanna do
Is sing with U
All I wanna see
Is you sing with me
All I wanna do
Is sing with U
I will, will you sing with me
Cause I'll Sing with U

I know we were just singing
But much greatness it is bringing

Chorus

All I wanna do

Is sing with U

All I wanna see

Is you sing with me

All I wanna do

Is sing with U

I will, will you sing with me

Cause I'll Sing with U

I know we were just singing

But much greatness it is bringing OH!
