Scared to death
This is the end
I will go tonight
I'm not fine
Under stress
Can't see my friends
All dark there's no light
I'm not alright

Chorus
What's the point in living
When there's no succeeding?
I'm losing, I'm falling
And nobody is calling
Out I'm stuck underground
Stuck Underground

I'm trapped
No one's gonna help me
Confused
Can't you see this is scary
Now, Help me somehow

Chorus
What's the point in living
When there's no succeeding?
I'm losing, I'm falling
And nobody is calling
Out I'm stuck underground
Stuck Underground

Stuck Underground
And no one's gonna take me out
Stuck Underground
And no one's gonna give in
Stuck Underground
And no one's gonna help me out
Stuck Underground
And I won't see the world again!

Chorus
What's the point in living

When there's no succeeding?
I'm losing, I'm falling
And nobody is calling
Out I'm stuck underground
Stuck Underground
