When I'm sad
You ask me
Why, why, why, why, why, why
Can't believe
You can be
So blind, blind, blind, blind, blind
You know I've gotta keep it SHHHH!

Chorus
Top secret
Confidential
Some things that shouldn't be told
But it's noticeable
But still you don't need to know
I gotta keep it
Top, top, top secret

When I say
I wanna go (you say)
Where, where, where, where, where
I need to sleep (you say)
Here, here, here, here, here

Chorus
Top secret
Confidential
Some things that shouldn't be told
But it's noticeable
But still you don't need to know
I gotta keep it
Top, top, top secret

Sh... sh... top... top
Sh... sh... top... top

Chorus
Top secret
Confidential
Some things that shouldn't be told
But it's noticeable
But still you don't need to know
I gotta keep it

Top, top, top secret

Sh... sh... top... top

Sh... sh... top... top

Sh... sh... top... top

Sh... sh... top... top

TOP SECRET!
