You tried to run from me  
But now I can see  
The truth of you  
You showed me that you're nice  
Gave me cruel advice  
And that's not what you do oh  
Now I want you to be gone  
I need some time to move on

### Chorus

You're free, out of my life  
No need for sacrifice  
Cause I'm gonna spread my wings and fly  
Don't care what you know  
What path you choose to go  
Cause I'm ok and I'm doing alright  
Yeah you're free  
End this misery  
Oh you're free oh

You went to another place  
Thinking it's such a chase  
It's not so you're wrong  
You called up at night  
Telling me to end this fight  
Told you to be gone oh  
So now I've got things off my mind  
I'll be just fine

### Chorus

You're free, out of my life  
No need for sacrifice  
Cause I'm gonna spread my wings and fly  
Don't care what you know  
What path you choose to go  
Cause I'm ok and I'm doing alright  
Yeah you're free  
End this misery  
Oh you're free oh  
Just go away I can't stand you to lie.  
I see the terrible look in your eyes.  
Can't handle tears so I just start to cry.

It will be so wrong to have you by my side.

Chorus

You're free, out of my life

No need for sacrifice

Cause I'm gonna spread my wings and fly

Don't care what you know

What path you choose to go

Cause I'm ok and I'm doing alright

Yeah you're free

End this misery

Oh you're free oh

You tried to run from me
