Repel  
The cold  
Lest you forget your shame  
I breathe Again  
Whatever was done is done  
Change  
The lane  
Rephrasing my thughts for gold  
Ignore  
The calm  
As beautiful as the clouds are  
Find me guidance  
Dont square off  
Im learning to laugh and trust again  
I need silence from the frost  
Im failing to hold onto myself  
Myself  
Myself  
You care for you  
Everyone else is last  
Im done with you  
No more will I be your toy  
Your toy  
Find me guidance dont square off  
Im learning to laugh and tust again  
I need silence from the frost  
Im failing to hold onto my self  
Myself  
Myself

Find me guidance dont square off  
Im learning to laugh and tust again  
I need silence from the frost  
Im failing to hold onto my self  
Myself  
Myself

Find me guidance  
Dont square off  
Im learning to laugh and love again  
I need violence to get me off  
Im failing to hold onto myself

My self  
Myself
