Run Home

Here we are I am gone again  
I missed you all how have you been  
Let us never part because time is thin  
Oh I'm scared  
Don't want to leave now

(Chorus)

Listen to happy children cry  
Don't let them make our family die  
Out of sight out of mind alone  
I'm tired and I want to go home

Run Home

(Verse)

Here we fall I am gone again  
I'll miss you all brothers my friends  
Hold you in my heart it won't forget  
Oh I'm scared  
Don't want to go now

(Chorus)

Listen to happy children cry  
Don't let them make our family die  
Out of sight out of mind alone  
I'm tired and I want to go home

Listened to silenced children cry  
Don't let them make our family die  
(Bridge)

And if you send for me come I'll wait. And I'm falling  
faster

And if you send for me come I'll wait. I want you badly  
And if you send for me come I'll wait, and open your  
arms

And if you send for me come I'll wait

(Outro)

Go

They lock me up, I feel like a freak  
And the binges are back in the south slide  
Looking down straight I'm a pail motherfucker  
Gonna, pop, pop, pop

Oh don't look down when you look down  
You mother fuckers wanna come see how I am  
Y'all really wanna back it up, stack it up now you wanna

come and fuck it up  
Here I am now standing right in front of you  
Gonna pop you in the mouth one time bitch  
They lock me up I feel like a freak  
No more bars can lock me up
