[Sample:]

Cant Get No Better [x3]  
Cant Get No Better Than  
Cant Get No Better [x3]  
Cant Get No Better Than

[Verse 1:]

Well Lately Ive Been Thru Alot Of These Trial And  
Tribulations  
Satan Been Busy Bringing Me Down In Situations  
But I Jump Right Back Up And I Rebound Thru All These  
Cases  
Stop Smoking Weed I Clearly See Now Just What Im  
Facing  
Its The Devil, So I, Switch My Level  
Took My Clip Out Of My Metal  
And I Started Flippin Thru The Scripts  
Just Trying To Get My Mind ?  
Cuz Ive Been Livin Like A Rebel  
And I Need To Settle  
Been Came A Long Way From The Ghetto  
From Slangin Yayo (Oh Yea)  
Encounter So Much Strain  
I Cant Stand The Rain  
And You Can Fell My Pain  
And You Can Feel Me Mayne  
And Now That Im Changing  
Everybody Been Sayin Im Trippin  
So They Been Treatin Me Like Im A Stranger  
When I Talk Now Nobody Listens  
Im Tryin To Tell Em About The Danger  
We Livin In This System And We So Close To The Endin  
Its All About Rependence  
For Some Reason They Malegnent  
They All Off In They Business And They Riches  
Nasty Women Fancy Living  
When It Hit Em They Gone Wish They Listen

[Chorus: x2]

Cuz I Kno I Kno I Kno

[Sample:] Cant Get No Better

I Kno I Kno I Kno  
[Sample:] Cant Get No Better  
I Kno I Kno I Kno  
[Sample:] Cant Get No Better  
Aint Nothing Savin Us But The Savior (Yea)  
[Sample:] Cant Get No Better Than

[Verse 2:]  
This Aint The Real Life  
So Dont Be Stressin Tryin To Get Rich  
Hey If You Live Right  
Yall Will Indeed  
Make Sure You Get It To Keep Your Kids Tight  
I Used To Stress For The Wealth  
Break My Neck For A Check Now I Rarely Break A Sweat  
Who I Was Sexin Was Takin A Toll  
My Baby Momma Drama Really Got Outta Control  
Every Other Month Im In Court Over Some Child Support  
Guess They Wont Rest Till Im Broke  
Cuz They Keep Stressin Mo, And Mo, And Mo (Oh Yea)  
Ive Been In So Many Relationships That Cost Me A Grip  
(Damn)  
And The Woman Was In It For One Thing  
Her Profit Split  
But I Guess I Shoulda Seen The Scheme (Seen The  
Scheme)  
I Was Too Busy Chasin Dreams It Seems (Dreams It  
Seems)  
Im Lookin Diferent Now With All These Things  
Cuz When Its Over Yall, Aint None Of Them Gon Mean A  
Thing  
Prepare My Mind, Im Tryn To Make Up In This Paradise  
So I Pray And Pray (Oh Yea)  
Im Tryin To Stay Next To God

[Chorus: x4]  
Cuz I Kno I Kno I Kno  
[Sample:] Cant Get No Better  
I Kno I Kno I Kno  
[Sample:] Cant Get No Better  
I Kno I Kno I Kno  
[Sample:] Cant Get No Better  
Aint Nothing Savin Us But The Savior (Yea)  
[Sample:] Cant Get No Better Than
