Got the heater  
Blowing on chivas

In a finer night, night  
Deep blowing with my heater  
Wonder what the broad name  
She was blowing on chivas  
Keep a little bit of  
That leaf chopped off with chifa  
I got everything you need what you receive  
Got two pops round my neck  
Y'all I'm cashin out

Legend  
Got vixen on my wrist and  
Y'all I'm cashin out  
Legend  
Got easy bake it in the day  
When I'm running with my heater  
Legend  
Wonder what the broad name  
She was blowing on chivas

You'll better believe that I'm asking  
And you never wanna see you come and see me  
But I tell 'em niggas that you a strayed up dog  
Dissaster, in the aftermath you never last a pass  
Pay taxes, I'm just up in the bumper then have it  
But I'm in it and ready to jam it  
Watch a nigga wreak havoc  
Hell yeah, I'm classy  
But I still get in the comments of asses  
Make a nigger dissapear like magic  
We can never live a proffesor so acting  
So massive, my nigga give me the beat  
And I can take 'em like a beast, so savage  
Need glasses, if you really wanna see me bass this  
Poke a nigga like a leaf to the ashes  
In the killin on my van their stabs, all look back

In a finer night, night  
Deep blowing with my heater

Wonder what the broad name  
She was blowing on chivas  
Keep a little bit of  
That leaf chopped off with chifa  
I got everything you need what you receive  
Got two pops round my neck  
Y'all I'm cashin out  
Legend  
Got vixen on my wrist and  
Y'all I'm cashin out  
Legend  
Got easy bake it in the day  
When I'm running with my heater  
Legend  
Wonder what the broad name  
She was blowing on chivas

Look at me now, still doing the move  
To prove it to 'em I got gutter like a sewer  
A nigga from the past, but I'm still the future  
No matter what I do kray still the truth yeah  
They see I'm not the last when I shit the rugga  
Now who gonna be the fool to make a move and lose  
And I don't even play it, I'mma live it with you  
Boo-yah, doo-yah, critically wound ya  
Legally bloom ya, seriously you know  
So nigga you can do whatever trusted looser  
How many lessons do I gotta school ya  
To make a nigga reckon as I'm never the looser  
Y'all niggers ain't ready for this  
Y'all niggers ain't steady for this  
Y'all still ain't learned  
If I get hot, if I get hot it burns

In a finer night, night  
Deep blowing with my heater  
Wonder what the broad name  
She was blowing on chivas  
Keep a little bit of  
That leaf chopped off with chifa  
I got everything you need what you receive  
Got two pops round my neck  
Y'all I'm cashin out  
Legend  
Got vixen on my wrist and  
Y'all I'm cashin out  
Legend  
Got easy bake it in the day  
When I'm running with my heater  
Legend  
Wonder what the broad name

She was blowing on chivas
